A culturally diverse academic experience that ensures each student is prepared to live and work in a global community

Western International Academy

Western's 2015 graduating class received more than \$28 million in scholarships and grants

Part of the new Pre-K to grade 12 Clark Park Campus, Western is a community school that provides expanded services for families and comprehensive academics and extra-curricular activities for students. As the district's third-ranking high school behind Renaissance and Cass Tech, Western International High School affords its culturally diverse student body the opportunity to choose from a wide range of academic programs, including the STEM Academy for Science, Technology, Engineering and Mathematics/Manufacturing; International Business Academy; Fine and Performing Arts Academy; and 9th Grade Ambassador Academy where all freshmen learn self-management, study and social skills. Western also offers a Pre-Advanced Placement Program for ninth graders, as well as all general high school courses.

Advantages:

- Honors/13 Advanced Placement Courses
- Foreign Language Laboratories/Clubs
- Visual and Performing Arts Wing, Drama and Dance
- Film Studies, Creative Writing and Year Book
- ESL Courses, Tutoring, Credit Recovery
- Full Sports Program, Class A Basketball State Champions, Physical Education, JROTC and ROTC
